Durante Rapacciuolo is the Scientific Director of the *Rivista di Diritto Ed Economia of Sport* (*Review of Sports Law and Economics* - [www.rdes.it](http://www.rdes.it)).

In such a capacity, he coordinates more than 40 editors (International Academics and Practitioners) in the field of Sports Law and Economics and supervises the publication of an average of 60 scientific articles each year.

He is the author of several publications on sports labour law and policy matters, doping, match-fixing, relationship between ordinary and sports law, athletes and clubs' responsibility.

He has 35 years of professional career as lawyer for the EU civil service, working for DG Employment and Social Affairs as well as DG Industry and DG Home of the European Commission.

He was involved in some of the leading cases in the field of Sport and Freedom of Movement in the European Union (*Dona v. Mantero*; *Walrave*) which steered the *Bosman* case law in 1995.

This astounding professional experience has provided him with a complete mastership of many sports law issues, the capacity of analyzing them and finding the proper solutions to the arising problems.

Finally, Durante works in Italian (mother tongue), English, and French and he has a good knowledge of Spanish and German.
